

Fill your beautiful design all the way to the edges of the template.

This section will be folded over and sewn, so make sure nothing important sits here.

This will be visible on the front of the top poles, great for your website or social media tags.

## giant deckchairs & friends

A logo would look great here.

Logos will be less visible down here.

Fill your beautiful design all the way to the edges of this bit. It will be folded over and sewn, so make sure nothing important sits here.
